From The Desk Of Chairman

Mr. T. E. Shelke

“Vidyaniketan for Nation Building”

It is also realism that the nation is as strong as its education system.

It is the education and its system that makes the country great, strong and developed. Education is the key to create a society, which is dynamic and productive, offering opportunity and fairness to all.

It is one of the most essential indications of human development, the importance of which cannot be undermined. It unlocks the treasure that lies within all of us. In the coming times, knowledge and skills will be the keys to success.

All of us want children to succeed in all their endeavours. Our role as parents and teachers should be to equip them with the necessary knowledge, skills, and attitudes to achieve their goals and deal effectively with their life situations later on. At Vidyaniketan Academy we are striving to give shape to the above vision with the help of a dedicated team of leaders, administrators, academic planners and competent teachers who are trying their best to fulfil the aspirations of all those who have admitted their children with dreams in their eyes.

From The Desk Of Vice-Chairperson

Dr. Prerna Shinde

I believe that, a school plays a central role in nurturing and developing the unique talent of every child and enabling him or her to blossom by discovering the joy of learning. I believe that this can be achieved by providing children a safe and conducive environment to do their best in academics, sports, arts and cultural activities.

Children's holistic Development and well-being are always at the heart of everything we do at our school. Therefore, our educational programmes and the curriculum model offer numerous opportunities for children to engage and achieve in a wide range of sports and co-curricular activities.

At Vidyaniketan Academy, this guiding philosophy of providing children a holistic education has always been at the heart of everything we do.

Every day, all our efforts are focused on making Vidyaniketan Academy a happy school, where teaching is a pleasure and learning is a joy. A school that prepares children to identify their interests early on and develop them into their passion. A school that makes them believe in themselves and think big. A school that inspires them to 'Dare to Dream... and Learn to Achieve' and orients them to be lifelong learners.

Why to choose VIDYANIKETAN ACADEMY for your Child?

The Vidyaniketan Academy is the first affiliated school in Shrirampur. The VAS Curriculum Model represents the school's commitment to optimise teaching and learning, and facilitate children's holistic development and well-being. Through a curriculum that is stimulating and creative, and an environment that is safe and child-centred, we enable the learner to explore dimensions of excellence, encompassing intellectual, social, emotional and physical development. There is equal emphasis on academic rigour and engagement beyond the classroom through a wide spectrum of opportunities.

The school's guiding statement underpin the fact that cherishing one's cultural one's own culture and representing that of others, as well as imbibing sound values are central to holistic development. At the same time, our educational programmes emphasise inculcating in students seven key learning and development attributes: creativity, critical thinking, collaboration, communication, digital citizenship, global citizenship, and leadership.

Our Vision :-

In Vidyaniketan Academy, we recognize the imperative of imparting, an educational experience. We are a school with an Indian mind, an Indian heart and an Indian soul; a school that celebrates the culture of excellence and is an embodiment of values. We believe that a curriculum of excellence with a global dimension is central to the education of children to face the challenges of the 21st century with confidence and strength of character.

Our Mission :-

The School's mission is to provide a learning environment that encourages children to bring out the best in themselves and enables their all-round development through the joy of learning, enduring values and the celebration of diversity.
